Strategic Partnerships

We are proud to be the first agent and official representative in Ethiopia for globally recognized healthcare manufacturers. Our exclusive distribution includes:

ZYBIO: Advanced diagnostic systems (basic to advanced hematology, chemistry, hormones, POCT, and full reagent portfolio)

BIOBASE: Comprehensive laboratory solutions including autoclaves, biosafety cabinets, chemistry machines, and refrigeration units

DAWEI: Ultrasound imaging systems

BEACON: Rapid diagnostic kits and semi-automated chemistry reagents

BETER MEDICAL: Hospital furniture and ICU patient beds

LEPU MEDICAL: Patient monitors and pulse oximeters

AKHYAR: Surgical instruments and complete surgical sets

Amoul: Emergency medical systems: AEDs, ventilators, suction devices, CPR kits

These alliances reinforce our ability to deliver dependable, high-performance products.

Service Excellence

We prioritize after-sales service as a cornerstone of our commitment to clients. Our comprehensive support includes professional installation, ongoing maintenance, technical training, and prompt repair services. We offer extended warranties and dedicated support to ensure long-term reliability and client confidence. Our skilled engineering team is focused on maximizing equipment performance and satisfaction throughout the product lifecycle.
